

## First Month of School for Kindergarten Students September 2023

Boozhoo families, we are excited to meet our new Kindergarten students this school year. We will start the school year a little differently for our Kindergarteners. We understand that for some of our new kindergarten students, school will be a new experience, so we would like to welcome our kindergarten students into school slowly. This slow transition will allow students to adjust to their new classroom, classroom routines, and expectations, meet their new teacher and classmates, and transition into an Ojibwemowin experience. Thank you for choosing Endazhi-Nitaawiging, and we look forward to growing with your child.

Miigwech!
